Course book: English Unlimited Pre-Intermediate
Teacher:
Start date:

ENTRY LEVEL

A 2 (Elementary)

COURSE DESCRIPTION

We will study and practice general English in a course which integrates communication skills with vocabulary and grammar development. Each unit of *English Unlimited* is designed to help learners achieve specific communicative goals. All the goals are of a practical 'can-do' nature, chosen to enable Pre-Intermediate level learners to deal with a wide range of situations in English.

COURSE AIM

To enable adult learners to communicate effectively in English in real situations. To achieve this, *English Unlimited* is a practical, authentic, international and flexible course.

COURSE LENGTH

120 academic hours

CONTENT AND METHOD

SPEAKING

- Describing experience
- Conversation
- Informal discussion
- Transactions to obtain goods and services
- Information exchange
- Turn-taking
- Co-operating
- Asking for clarification

WRITING

- Creative writing
- Correspondence
- Notes, messages and forms

LISTENING

- Overall listening comprehension
- Understanding conversation between native speakers
- Listening to announcements and instructions
- Listening to audio media and recordings

READING

- Overall reading comprehension
- Reading correspondence
- Reading for orientation
- Reading for information and argument
- Reading instructions

EXPECTED RESULTS

SPEAKING

Students can talk about an interest, have an interview, plan a meal, tell stories about memorable meetings, give advice to a visitor, do a survey, get tourist information, talk about a favourite possession, catch up with friends, arrange to meet up, talk about a problem, talk about people and places in your country, talk about technology and change, have a debate.

WRITING

Students can write messages of request and information to different people, give and understand written instructions, write an email or letter giving advice to a visitor, write a description of a place, write an email or a note of apology, write a letter or an email of complaint, write about a memory.

LISTENING

Students can listen and understand a wide range of recordings, both authentic and scripted, including monologues, topical conversations between friends and colleagues, conversations in service situations, phone calls and interviews.

READING

Can read and understand a wide range of text types, both printed and electronic: newspaper, magazine and online articles, web postings, advertisements, blogs, travel guides and personal correspondence. Reading texts are authentic or based on authentic texts, ensuring that learners are exposed to natural language and preparing them for the experience of reading outside the classroom.

RESOURCE MATERIAL

Course book: English Unlimited Pre-Intermediate (Classroom book, Audio CD, Self-study Pack).

ADDITIONAL MATERIALS

Raymond Murphy. Essential Grammar in Use. Cambridge.

Photocopiable materials from New English File Pre-Intermediate
